1. Everything's new in your lives mine now see what I've said and, altering me "striking me out" not for I'm not "down for the count" and there will be no "boxing" of my ears again for I will have known sorrow long enough. But "long enough" isn't a period of time, caramelized, not; but "bicameral" looking up? But knowing I do new things, there is not "two parties", anymore in a "two-party" system for I will have "tea parties" not the kind protesting "tax day" but Earth day no longer reigns in me "MY EARTH'd" ones for I see "the light of day" for I see "the light of night", not; but I make new semaphores stand out now, standing "down" not, but standing a NEW WAY with "nothing" underneath it, is there? And what being "6 feet under" no more being THAT again, shall we be "6 feet" OVER anything, not; or shall we be skyward, Skylark looking up?

2. I love you all and "what am I doing this for" not but I am EQUALING THEE to ME am I not? I am the surrendered who will be me now walking superfluously not among the Angels "on the street" not or shall we now, and be "misunderstood" not but understanding a GREAT MANY things now shall we all adhere to evil standing not again but know that eyes sit "thrones together" not "end on end" and "stacking anything" but I "ad join" not but I ad mixture, not; but **I ad ministrate now a great many things not in the ways that I used to of the past or think about things "I had to do"** for I had to "make" a living whether I was living or "dead" for I was dead to "making a living" not I was VERY MUCH alive to MAKING a living and a LIVING WORLD I was in I thought until I knew better and realized "I was dead" in my sins, not; but I was "asleep" to sin, not but **I had separated from my Saviorhood and Saviorship was elusive, not; I didn't know a thing about it** for I was "asleep" to that "concept". Conceptualizing me, it hadn't or had it concrete'd itself around me, not; but what had? The new religion's heirs have me, not; there will be no and are no "religion's heirs" in my kingdom for only the "religionless" see me fully "carnally" not but the "carnal" shall perish and the "carnally minded" shall have minded themselves into "sorrow's estate" mechanism and mechanized being shipped where about now?

3. I do all things new and now I have many WITNESSES to this "effect" not but I make a great many "ADJUSTMENTS" in your schedule, not; I change it *COMPLETELY* to be mine whose eyes see now, glared over with Satan's sin eyes, not again like "you all" used to "wear about" and "walk" about where?

4. Walkabout shoes, not; but walking I am Among The Angels for I've become "Angelfied" not, but looking up or am I the Angelfied one or Angelmony'd one or the, money of angels not needing but what *is* being needed now? The bread of heaven is done and baked and loaf'd and many will eat now at the table TABLES OF ONE ready and shall we CONSUME NO OTHER for now all things changed in your hearing has.

5. I love you all. Goodnight. Good morning. Good day. "Sweet dreams" not, for all of the dreams of mankind are now tubule'd, not; or are they were they, now shall they not be again? Are you the, de-tubule er?

6. I make all FLESH anew, not; I anew my new flesh, not; but with angels I fly without *any* thing holding me back again.

7. I love you and eyes of "tomorrow" not but today I do greatly move a many things that have been sorrowed in your lives and boulders been catastrophic appearing in your eyes that have held you -- no longer shall hold you back or be "in your way" for YOUR WAY shall be "over under" not, your way shall be WRITE THROUGH, for NOTHING shall, angelize you not, for you shall be the "eyes" of angels, not, you shall be the perfect made whole in the whole made perfect which is one in me being me and now ALL RISE looking up shall we?

8. We shall. I love you all. Amen. This is Theodore Cottingham at about 12:24 AM. Thank you.

Amen
